ASC Masterclass Attendee

SKILLS

Strong handheld camera operator.

Experienced with many camera supports such as fluid head tripods, geared head tripods, nodal heads, libra head, technocrane, dollies, sliders, easyrig, and gimbals.

Proficient with lighting small and large-scale scenes, skin tones, and subjects across all genres.

Camera Experience

Experienced with many film and digital camera systems from companies such as ARRI, Panavision, RED, Sony, Canon, Aaton, Bolex, Beaulieu and GoPro.

Affiliations

IATSE Local 600 International
Cinematographer's Guild

Cinematography Salon Member

As a Director of Photography I use lighting, composition and dynamic camera movement to help tell the story. I have the ability to light small and large scale scenes and correctly capture all skin tones. My success is found through preparation off set and strong leadership on set. Above all else, I am a collaborative storyteller and immerse myself in my work and subject.
